## All the Single Ladies: A Novel By Dorothea Benton Frank

The perennial *New York Times* bestselling author returns with an emotionally resonant novel that illuminates the power of friendship in women's lives, and is filled with her trademark wit, poignant and timely themes, sassy, flesh-and-blood characters, and the steamy Southern atmosphere and beauty of her beloved Carolina Lowcountry.

Few writers capture the complexities, pain, and joy of relationships—between friends, family members, husbands and wives, or lovers—as beloved *New York Times* bestselling author Dorothea Benton Frank. In this charming, evocative, soul-touching novel, she once again takes us deep into the heart of the magical Lowcountry where three amazing middle-aged women are bonded by another amazing woman's death.

Through their shared loss they forge a deep friendship, asking critical questions. Who was their friend and what did her life mean? Are they living the lives they imagined for themselves? Will they ever be able to afford to retire? How will they maximize their happiness? Security? Health? And ultimately, their own legacies?

A plan is conceived and unfurls with each turn of the tide during one sweltering summer on the Isle of Palms. Without ever fully realizing how close they were to the edge, they finally triumph amid laughter and maybe even newfound love.

#### From the Back Cover

In this fast-paced and evocative novel, beloved *New York Times* bestselling author Dorothea Benton Frank again takes us deep into the Lowcountry of South Carolina, where three unsuspecting women are brought together by tragedy and mystery

Lisa St. Clair knows a thing or two about weathering storms. A dedicated nurse with a healthy sense of humor, she single-handedly raised her truculent daughter, Marianne, after her ex walked out on them twenty-four years ago, sending them a lottery ticket once a year as support. One day he reappeared and lured their daughter into a dubious but lucrative venture in Colorado. Now mother and daughter aren't speaking.

So when Kathy Harper, Lisa's favorite patient, loses her battle with cancer, Lisa finds herself drawing closer to Carrie and Suzanne, the devoted friends who were always by Kathy's side. As these three women's lives inevitably connect, they share their concerns about men, getting older and the horrors of maintaining financial stability. Suzanne's ninety-nine-year-old grandmother, a former chanteuse, offers unexpected perspectives on the mores of the day. Carrie's greedy ex-stepchildren are a chorus of cackling crows. And Lisa's mother just can't help herself as she henpecks her to distraction.

Somehow their conversations always return to the enigma of Kathy. Who was she? What did her short life mean?

Lisa, Carrie, and Suzanne power walk the beaches of the Isle of Palms with Pickle, Lisa's adorable Westie. Gradually they uncover the truth of Kathy's life and unfurl plans to secure their own futures, as fate steps in to help them discover that being single doesn't have to mean being alone. Dorothea Benton Frank shows us that friendship is as powerful as the turning tide and that love is about more than just finding the right person. You'll fall under the magical spell of the Lowcountry and of all the single ladies who have a whole lot of living to do.
