### Editorial Review

From Publishers Weekly

Generally acknowledged as a major influence on Bram Stoker's *Dracula*, this novel, originally published in 1872, is the very first vampire thriller. Le Fanu, often compared to Poe, was a Victorian writer whose tales of the occult have inspired horror writers for more than a century. Seemingly by happenstance, the mysterious and beautiful Carmilla comes to stay with the young and virtuous Laura. Laura, who has been living a lonely existence with her father in an isolated castle, finds herself enchanted with her exotic visitor. As the two become close friends, however, Laura dreams of nocturnal visitations and begins to lose her physical strength. Through much investigation, the gruesome truth about Carmilla and her family is revealed. Though the basic premise of the story, that of evil targeting pure innocence, is familiar to anyone who is vampire savvy, this haunting tale is surprisingly fresh, avoids cliché and builds well to its climax. Particularly interesting are the sexual overtones that develop between the two women. Follows's reading is flawless. In particular, her ability to capture Laura's naïveté so convincingly will have listeners feeling almost as shocked as Laura as the unwholesome truth unravels. (Sept.)

The appearance of a young and beautiful houseguest jolts young Laura into remembering what may or may not have been a childhood nightmare. Strangely, her visitor, Carmilla, has exactly the same recollection. As Laura's health wanes throughout the visit, Carmilla's vivacity grows. Who would guess she's been dead for over 150 years? Megan Follows's dark and dramatic reading of this vampire classic complements the text perfectly. Refraining from characterization, she recounts Le Fanu's tale from Laura's horrified perspective, vividly illuminating her early relationship with Carmilla, colored by the clarity of retrospection, as the story is recalled later in Laura's life. Follows's voice shudders with disgust at Carmilla's evil, as do her listeners.

### Users Review

**From reader reviews:**

**Jack Baldwin:**

The book *Carmilla* gives you the sense of being enjoy for your spare time. You may use to make your capable a lot more increase. Book can to become your best friend when you getting tension or having big problem with the subject. If you can make reading through a book *Carmilla* to become your habit, you can get far more advantages, like add your capable, increase your knowledge about a few or all subjects. You can know everything if you like open up and read a book *Carmilla*. Kinds of book are several. It means that, science publication or encyclopedia or some others. So , how do you think about this guide?

**Charles Anthony:**

Here thing why that *Carmilla* are different and trusted to be yours. First of all studying a book is good but it

depends in the content of computer which is the content is as delicious as food or not. Carmilla giving you information deeper including different ways, you can find any guide out there but there is no guide that similar with Carmilla. It gives you thrill looking at journey, its open up your own personal eyes about the thing that happened in the world which is might be can be happened around you. It is possible to bring everywhere like in park, café, or even in your approach home by train. Should you be having difficulties in bringing the paper book maybe the form of Carmilla in e-book can be your choice.

#### **John Pierre:**

This book untitled Carmilla to be one of several books which best seller in this year, this is because when you read this e-book you can get a lot of benefit into it. You will easily to buy this particular book in the book store or you can order it by using online. The publisher of this book sells the e-book too. It makes you more easily to read this book, as you can read this book in your Cell phone. So there is no reason to you to past this publication from your list.

#### **Robert Frith:**

This Carmilla is completely new way for you who has attention to look for some information given it relief your hunger of knowledge. Getting deeper you on it getting knowledge more you know or perhaps you who still having tiny amount of digest in reading this Carmilla can be the light food to suit your needs because the information inside this specific book is easy to get through anyone. These books produce itself in the form which is reachable by anyone, sure I mean in the e-book form. People who think that in guide form make them feel tired even dizzy this guide is the answer. So there is no in reading a reserve especially this one. You can find actually looking for. It should be here for a person. So , don't miss this! Just read this e-book kind for your better life and knowledge.
