Lo que aprendemos de los gatos [What We Learn from Cats] By Paloma Diaz-Mas

Los seres humanos - piensa el gato - tienen una irremediable tendencia a entender las cosas al revés. Por ejemplo, si ven un libro que se titula Lo que aprendemos de los gatos, probablemente creerán que trata de lo que los humanos pueden aprender acerca de los gatos, para conocerlos mejor (cosa que, dicho sea de paso, tampoco estaría de más); sin embargo, para cualquiera que sea capaz de pensar con claridad, resulta evidente que Lo que aprendemos de los gatos significa otra cosa: lo que los humanos pueden aprender a partir de los gatos, es decir, lo que los gatos pueden enseñarles. Este tipo de errores se producen porque los humanos parten de la absurda creencia de que son animales superiores, cuando todo el mundo sabe que los animales superiores son los gatos. Los gatos - piensa la autora de este libro - tienen mucho que enseñarnos, pero para ello hace falta que estemos atentos y dispuestos a aprender. Son cariñosos, pero nunca sumisos, así que nos enseñan a pactar nuestra convivencia día a día.

Please note: This audiobook is in Spanish.
