The Charm Bracelet: A Novel By *Viola Shipman*

Lose yourself to the magic of *The Charm Bracelet*.

Through an heirloom charm bracelet, three women will rediscover the importance of family and a passion for living as each charm changes their lives.

On her birthday each year, Lolly's mother gave her a charm, along with the advice that there is nothing more important than keeping family memories alive, and so Lolly's charm bracelet would be a constant reminder of that love.

Now seventy and starting to forget things, Lolly knows time is running out to reconnect with a daughter and granddaughter whose lives have become too busy for Lolly or her family stories.

But when Arden, Lolly's daughter, receives an unexpected phone call about her mother, she and granddaughter Lauren rush home. Over the course of their visit, Lolly reveals the story behind each charm on her bracelet, and one by one the family stories help Lolly, Arden, and Lauren reconnect in a way that brings each woman closer to finding joy, love, and faith.

A compelling story of three women and a beautiful reminder of the preciousness of family, Viola Shipman's *The Charm Bracelet* is a keepsake you'll cherish long after the final page.

Editorial Review

Review

Rich in character and story, "The Charm Bracelet" is utterly charming!

---Debbie Macomber, "New York Times" bestselling author

"The Charm Bracelet" is as sweet as three scoops of Dolly's ice cream. It's packed with gorgeous scenery, time-honored wisdom, and all kinds of charm.

---Nancy Thayer, "New York Times" bestselling author

There are family heirlooms that wind up in yard sales, and then there are the priceless ones that are passed down from generation to generation. "The Charm Bracelet" by Viola Shipman is a keeper, a novel like a rare jewel that will be passed down one generation to the next and from one book club member to the next until everyone has read this heartfelt, intergenerational story of love and forgiveness. Viva Viola!

---Adriana Trigiani, "New York Times" bestselling author

It made me weep, think, and cry again. It is rare to find a book that makes people cry in a good way. I reread the whole book yet again because I wanted to. That's how amazingly good it is.

---Caroline Leavitt, "New York Times" bestselling author

"Debut novelist Shipman--a pen name chosen by memoirist Wade Rouse in homage to his grandmother--pulls out all the emotional bells and whistles here; his book reads like a fictionalized guide to living the good life ("Live! Love! Laugh!") and checks all the boxes--family, friends, God, love, and simply living--designed to warm the heart and fill the tear ducts. Smooth writing, unabashed sentimentality." "-Kirkus Reviews"

... characters you care for, a story to enjoy, and the hope for a family understanding that anyone would benefit from. "Senior Life Times"

Readers will be charmed by the characters, most of all by kooky but wise Lolly (a mix of Viola and Madge Rouse, Wade's paternal grandmother), who teaches her stressed-out daughter and granddaughter lessons in life and love. "Good Housekeeping""

From the Author

Welcome!

The Charm Bracelet is a tribute to my Ozarks grandmother, Viola Shipman, who I grew up alongside, the jangling of her charm bracelet as ever-present as the moan of the bullfrogs, the call of the whippoorwill and the hum of the cicadas.

It was through the charms on my grandmother's bracelet that I got to know her. I found that each charm held a story, a key that unlocked a secret part of her life.

Through these charms, I got to know my grandmother not just as a grandmother but also as an incredible woman who had lived an extraordinary life filled with beauty, hope and tragedy.

My grandmother's story and life jangled in my head for years, and I felt compelled to write a novel based on her charms and the lessons she taught me: That the simplest things in life - family, friends, faith, fun, love, and a passion for what you do - truly are the grandest gifts.

I couldn't be prouder of this novel, which not only honors my grandmother, with the pen name Viola

Shipman, but also all of our elders.

I hope you're "charmed"!

xo,

Wade Rouse

About the Author

VIOLA SHIPMAN is a pen name for Wade Rouse, a popular, award-winning memoirist. Rouse chose his grandmother's name, Viola Shipman, to honor the woman whose charm bracelet and family stories inspired him to write his debut novel, which is a tribute to all of our elders. Rouse lives in Michigan and writes regularly for "People" and "Coastal Living," among other places, and is a contributor to "All Things Considered." To date, "The Charm Bracelet" has been translated into nine languages. He is at work on his second heirloom novel, which will be published in 2017."

Users Review

From reader reviews:

Elizabeth Parker:

A lot of people always spent their very own free time to vacation or perhaps go to the outside with them family members or their friend. Do you know? Many a lot of people spent they free time just watching TV, or playing video games all day long. If you need to try to find a new activity that is look different you can read some sort of book. It is really fun in your case. If you enjoy the book you read you can spent all day every day to reading a book. The book The Charm Bracelet: A Novel it is quite good to read. There are a lot of individuals who recommended this book. They were enjoying reading this book. In case you did not have enough space to develop this book you can buy typically the e-book. You can more very easily to read this book from a smart phone. The price is not too expensive but this book has high quality.

Daniele Chambers:

Reading a book to get new life style in this year; every people loves to go through a book. When you learn a book you can get a lot of benefit. When you read publications, you can improve your knowledge, since book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. If you want to get information about your research, you can read education books, but if you act like you want to entertain yourself read a fiction books, these us novel, comics, as well as soon. The The Charm Bracelet: A Novel offer you a new experience in reading through a book.

Maria Holder:

Many people spending their time frame by playing outside together with friends, fun activity having family or just watching TV the whole day. You can have new activity to pay your whole day by studying a book. Ugh, you think reading a book can definitely hard because you have to bring the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Touch screen phone. Like The Charm Bracelet: A Novel which is keeping the e-book version. So , try out this book? Let's see.

Margaret James:

Is it a person who having spare time in that case spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something new? This The Charm Bracelet: A Novel can be the solution, oh how comes? The new book you know. You are consequently out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these ebooks have than the others?
