The Sacred Scarred: A modern-day Christian twist on Beauty & the Beast (The Beautiful Broken Collection) (Volume 1) By Joanna Alonzo

"Beauty can indeed come from ashes." Calysta Daniels met Brendan Keefe at a time when she was embracing the true meaning of beauty and he was becoming the embodiment of a beast. Several years later, their paths crossed once again, and she agreed to a strange request to save her father from imprisonment: to live under the beast's roof for four years. It didn't take long for him to realize that there was something about her that a part of him hated - something sacred threatening to expose all his scars. Scarred as they both were, she was holding on to a secret that kept her sacred, while he was holding on to a past that kept him scarred. Thus, the battle of wills raged within the beauty and the beast over what price had to be paid to make a person truly beautiful.

Editorial Review

About the Author

Joanna Alonzo is a walking paradox. She is a beautiful, albeit messy, mixture of thought and emotion, expressed in the form of hopefully readable - and relatable - stories. She is a kingdom kid, who looks forward to being a writer and storyteller even when she reaches heaven. She is passionate about the unreached, about those who have yet to know the Love she found in the arms of the Almighty. She is intrigued by the world and its people, who day by day, continue to convince her that God is the greatest Storyteller of all. Find out more about her at joannaalonzo.com.
