## Youth and Crime By John Muncie

`Muncie's book is a must-read for all criminologists interested in youth justice and youth crime. It is accessible, theoretically informed, empirically detailed and, thanks to the second edition, bang up-to-date' - *Professor Tim Newburn, London School of Economics*

`The first edition of **Youth and Crime** – published in 1999 – struck an almost unique balance between accessibility and complex scholarship. This substantially revised and up-dated edition takes the depth and scope of the key debates further still. Muncie draws on a wide range of scholarly research, he engages with major theoretical questions and he interrogates the complexities and contradictions of policy formation.... Without doubt this is an indispensable source for sociology, criminology, social policy, social history, social work, youth justice and media and cultural studies students and tutors alike' - *Dr Barry Goldson, Senior Lecturer in Sociology and Social Policy, The University of Liverpool.*

`The second edition of **Youth and Crime** is once again immensely scholarly and important for its insights into the shape of public, media and governmental responses to youth crime. The author produces new material on anti-social behaviour, street crime, victimisation, social exclusion, drugs and surveillance as well as on risk assessment, governance, globalisation and cultural criminology to help make sense of developments..... As before, this is an excellent, accessible and lively introduction to youth crime and its regulation. It is a book that pushes debate forward in terms of questioning established knowledge and governmental responses to crime' - *Dr Loraine Gelsthorpe, Institute of Criminology, University of Cambridge.*

`Muncie observes, "the study of youth justice ultimately tells us more about social order, the state and political decision making than it does about the nature of young offending and the most effective ways to respond to it": the material he presents in this part of the book more than justifies the comment. Although this book is primarily a student text, it should interest magistrates and promote critical reflection' - *Magistrate*

- How and why have certain aspects of young people's behaviour come to be perceived as 'anti-social' and 'criminal'?
- Are young people now more of a threat than ever before?
- How can we make sense of New Labour's youth justice reforms?
- Is the youth justice system soft on crime?
- Are young people more in need of protection than disciplinary punishment?

The **Second Edition** of this best-selling text provides a fully revised and up-to-date critical analysis of a wide range of issues surrounding young people, disorder and crime.

To develop a comprehensive criminology of youth the book deliberately moves beyond traditional criminological concerns and draws insights from other academic disciplines such as cultural studies, gender studies, media studies, social policy, social work, political science and human geography.

Now thoroughly updated, this second edition has been rewritten to include new material on anti-social behaviour, street crime, youth gangs, victimisation, social exclusion, drugs, surveillance, crime prevention, policing and restoration as well as a sustained critical analysis of New Labour's youth, social and criminal justice reforms as they have emerged over the past five years. To make sense of these developments theories of risk management, governance, globalisation and cultural criminology are introduced and assessed.

An original and accessible text, it provides invaluable support for further study by featuring key concepts, a glossary, summaries of the main arguments, study questions and guides to further reading.

Building on the strengths of the first edition, this highly influential work remains the most integrated and comprehensive analysis of theory, research, policy and politics in this area. It is an essential text for students of criminology, criminal justice, sociology, youth studies, social policy and social work.

## **Editorial Review**

### **Review**

`A spell-binding and critical introduction.... His book has 'moved beyond the traditional concerns of criminology'.... The book is all the more valuable for this.' - *The Howard Journal of Criminal Justice*

### **About the Author**

John Muncie is Emeritus Professor of Criminology at the Open University, UK. He is the author of *Youth and Crime* (4th edition, Sage, 2014), and he has published widely on issues in comparative youth justice and children's rights, including the co-edited companion volumes *Youth Crime and Justice* and *Comparative Youth Justice* (Sage, 2006). He has produced numerous Open University texts and readers, including *Crime: Local and Global* (Willan, 2010), *Criminal Justice: Local and Global* (Willan, 2010), *The Problem of Crime* (2nd edition, Sage, 2001), *Crime Prevention and Community Safety* (Sage, 2001) and *Imprisonment: European Perspectives* (Harvester, 1991). He has also contributed nine volumes to the *The Sage Library of Criminology* (Sage, 2007–2009). He is co-editor of the Sage journal *Youth Justice: An International Journal*.

## **Users Review**

### **From reader reviews:**

#### **Donald Lombard:**

Exactly why? Because this *Youth and Crime* is an unordinary book that the inside of the book waiting for you to snap it but latter it will shock you with the secret that inside. Reading this book alongside it was fantastic author who all write the book in such amazing way makes the content inside easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This book will give you a lot of advantages than the other book possess such as help improving your talent and your critical thinking way. So , still want to delay having that book? If I have been you I will go to the reserve store hurriedly.

#### **James Matter:**

In this time globalization it is important to someone to acquire information. The information will make you to definitely understand the condition of the world. The health of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, classifieds, book, and soon. You can observe that now, a lot of publisher in which print many kinds of book. The book that recommended to you is *Youth and Crime* this reserve consist a lot of the information in the condition of this world now. This book was represented how can the world has grown up. The words styles that writer use for explain it is easy to understand. Typically the writer made some investigation when he makes this book. Honestly, that is why this book ideal all of you.

#### **Desiree Herdon:**

Is it anyone who having spare time then spend it whole day by means of watching television programs or just

telling lies on the bed? Do you need something new? This Youth and Crime can be the response, oh how comes? It's a book you know. You are therefore out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?

**Haydee Todd:**

In this era which is the greater man or woman or who has ability to do something more are more special than other. Do you want to become certainly one of it? It is just simple solution to have that. What you should do is just spending your time not very much but quite enough to get a look at some books. One of many books in the top list in your reading list will be Youth and Crime. This book and that is qualified as The Hungry Inclines can get you closer in becoming precious person. By looking upward and review this guide you can get many advantages.
