Accidentally In Love With...A God? (The Accidentally Yours Series Book 1)

By Mimi Jean Pamfiloff

Trapped for decades, a powerful god seeks freedom . . . and revenge. But the only thing that can save him is the passion of a woman's touch . . .

Emma Keane is your average city girl trying to get a date. There's just one thing holding her back: the disembodied male voice speaking to her through her mind. Sound kind of crazy? Maybe. But crazy turns downright deadly when the voice persuades her to travel to the wilds of the Mayan jungle. There she will free his body-his incredibly hot, muscled, *naked* body.

Humans are so frail, so undisciplined, so susceptible to love. And when this ancient being connects with Emma, the feelings she sparks drive him utterly mad. Protective, keep-her-close, never-let-her-go kind of mad. Which might not be such a bad thing because from the moment the beautiful, passionate Emma unshackles his body, they are hunted at every turn. Now he'll have to do everything in his power to keep her safe. But will it be enough?

ACCIDENTALLY IN LOVE WITH...A GOD? (a Paranormal Romance) (Accidentally Yours) (Kindle Edition)

Mimi Jean Pamfiloff is hysterical. This is the first in her Accidentally Yours series. Can't wait for more.

You will love Emma and the arrogant god she can't see. She does not dare let people find out she has a relationship with someone she only knows through dialogue in her thoughts. Her friends and family will think she is bonkers.

But when he calls her into the heart of the Mayan jungle to free him from some ancient ruins, with a promise to finally leave her alone after that, she finds that he is not only real, (and gorgeous) but about to further turn her world upside down.

Her desire to have a normal life, without some voice bothering her, may be a futile desire. Because desire is the word. This ruthless warrior-god is the most amazing male she has ever seen or imagined.

Emma is in big trouble. She realizes that her god is as dangerous as the other crazy gods, including my total favorite, wild and crazy Cimil. You are going to love Cimil and laugh out loud at her antics. Is she going to help Emma with the evil that has been unleashed into the world, the terrifying Uchben, or is she only going to make things worse?

About the Author

Before taking up a permanent residence in the San Francisco Bay Area, Mimi spent time living near NYC (became a shopaholic), in Mexico City (developed a taste for very spicy food), and Arizona (now hates jumping chollas, but pines for sherbet sunsets). Her love of pre-Hispanic culture, big cities, and romance inspires her to write when she's not busy with kids, work, and life...or getting sucked into a juicy novel. She hopes that someday, leather pants for men will make a big comeback and that her writing might make you laugh when you need it most.
