### **Editorial Review**

#### **About the Author**

Lynne used to worry she had a serious problem with daydreaming, then she discovered she was supposed to write those stories! A late bloomer, Lynne came to fiction writing after her children were nearly grown. Now she battles the empty nest by writing stories which always include a romance, sometimes medicine, a dose of mirth, or both, but always stories from her heart. She is a Southern California native, a woman of faith, a dog lover, and a curious traveler.
