NORMAL (Something More Book 1) By Danielle Pearl

It's the kind of situation most people would dread. Starting at a new high school, in the middle of my senior year, in a new town, in a new state. I know no one. No one knows me. That's what I'm counting on.

A year ago, Aurora "Rory" Pine was just a normal teenage girl - just as sweet and naive as the fairy tale princess she was named after.

But this isn't a year ago.

Rory is broken, and now suffering from a debilitating anxiety disorder, wrought with precarious triggers, she moves across the country to escape the source of her troubles. Her plan is anonymity, but that's easier said than achieved for the new girl having a panic episode outside of calculus. The worst part? There's a witness - and a gorgeous one at that.

Sam is a walking trigger for Rory. Incredibly handsome, built like the star athlete he obviously is, and undoubtedly popular, Sam outwardly represents everything Rory despises about high school. But as the fates keep throwing them together, a connection sparks that neither ever expected, and certainly couldn't ignore.

But Sam has issues too, and Rory's past won't just stay in the damned past. When friendship evolves into something deeper, can a girl utterly destroyed by the worst kind of betrayal and a boy battling demons of his own ever have a normal relationship? Is that even what they want? Find out in NORMAL, a gritty story of trust and abuse, heartbreak and salvation, and if they're lucky - love. This is not a flowery romance - not for the faint of heart.

Editorial Review

Review

"Normal is a riveting and magnetic story of abuse, love, and hope. It pushes the reader in every way possible. Normal is one of the most thought provoking stories I've ever read."

-Biblio Belles

"Wow, Normal was intense, gritty, dark, sad, uplifting, and heartbreakingly all in one. This was a story rich in detail, and by the end I truly felt as if I lived in between the pages." - *The Book Hookup*

"Normal is the kind of book that opens your heart, examines its parts and then stomps all over it only to put it back together again, better than before. It's feels overload!" - *Young Adult Book Madness*

"I cried, I laughed, I bit my fingernails in anticipation. It was AMAZING!!! I loved this book so much I couldn't put it down!" - *Trusty Page Turners*

"Rory, Sam and Cam's story is gritty, a little dark, beautifully heart-touching with a steamy hot romance. Danielle Pearl has written an amazing New Adult story with so many fantastic characters. Normal is one of those amazing books that will totally take you by surprise with its in-depth storyline and a beautiful, hot romance. I recommend Normal as a must, must read." - *I Heart YA Books*

About the Author
