### **Sucks to Be Me: The All-True Confessions of Mina Hamilton, Teen Vampire (maybe) By Kimberly Pauley**

Mina Hamilton's parents want her dead. (Or undead to be precise.) They're vampires, and like it or not, Mina must decide whether to become a vampire herself. But Mina's more interested in hanging out with best friend Serena and trying to catch the eye of the too-hot-for-high-school Nathan Able than in the vampire training classes she's being forced to take. How's a girl supposed to find the perfect prom date and pass third-year French when her mom and dad are breathing down her neck--literally?

#### From [Booklist](#)

Most high-school juniors face big questions about their futures, but few ask the question posed to 16-year-old Mina: should she stay human or should she become a vampire, like her parents? In this breezy, often uproarious debut novel, Pauley follows Mina through her decision-making process, which includes classes about vampire history and culture and field trips with her eccentric uncle Mortie, the first vampire in the family. The juxtaposition between Mina's normal, human high-school existence and "vampire camp" creates hilarious contrasts, all narrated in Mina's wisecracking, authentic teen voice. Mina's frequent lists, such as "Why It Sucks to Have Parents Who Are Vampires" and IM exchanges between Mina and her best friend, add to the pitch-perfect humor. A chirpy cheerleader considering the vampire life and a cast of handsome romantic prospects round out the appealing supporting cast. Readers will race through this lighthearted debut, filled with vampire lore, to discover Mina's final decision, and they might recognize Mina's larger struggle to move between very different cultural worlds. Grades 7-10. --Gillian Engberg
