The Birth of the Clinic (Routledge Classics) By Michel Foucault

In this remarkable book Michel Foucault, one of the most influential thinkers of recent times, calls us to look critically at specific historical events in order to uncover new layers of significance. In doing so, he challenges our assumptions not only about history, but also about the nature of language and reason, even of truth. The scope of such an undertaking is vast, but by means of his uniquely engaging narrative style, Foucault's penetrating gaze is skilfully able to confront our own. After reading his words our perceptions are never quite the same again.

Editorial Review

Review

"The Birth of the Clinic ... repeatedly allows us to glimpse the face, the personal and distinctive features of a philosopher-historian whose declared aim is nevertheless to get rid of the subject and subjectivity, to disappear in his own discourse ... and to leave the way open for a formulation of the anonymous rules which govern human knowledge and behavior.'."

-New York Review of Books

"Foucault has re-launched philosophy in France single-handed.'"

-The Times Literary Supplement

"Michel Foucault is a very brilliant writer ... he has a remarkable angle of vision, a highly disciplined and coherent one, that informs his work to such a high degree as to make the work *sui generis* original.'"

-Edward W. Said

"No other thinker in recent history had so dynamically influenced the fields of history, philosophy, literature and literary theory, the social sciences, even medicine.'"

-Lawrence D. Kritzman

Language Notes

Text: English, French (translation)

About the Author

Foucault (1926-84) was one of the foremost thinkers of the twentieth century. He was part of the ultimate intellectual generation in France

Users Review

From reader reviews:

Sandra Murray:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each e-book has different aim or maybe goal; it means that e-book has different type. Some people experience enjoy to spend their time and energy to read a book. They can be reading whatever they acquire because their hobby is actually reading a book. Why not the person who don't like reading a book? Sometime, individual feel need book if they found difficult problem as well as exercise. Well, probably you should have this The Birth of the Clinic (Routledge Classics).

Barbara Hall:

Do you like reading a e-book? Confuse to looking for your selected book? Or your book had been rare? Why so many query for the book? But any kind of people feel that they enjoy regarding reading. Some people likes looking at, not only science book but also novel and The Birth of the Clinic (Routledge Classics) or others sources were given knowledge for you. After you know how the great a book, you feel want to read more and more. Science e-book was created for teacher or perhaps students especially. Those textbooks are helping them to add their knowledge. In different case, beside science reserve, any other book likes The Birth of the Clinic (Routledge Classics) to make your spare time considerably more colorful. Many types of

book like here.

Julie Ross:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Birth of the Clinic (Routledge Classics) can make you sense more interested to read.

Donald Corbett:

Many people said that they feel uninterested when they reading a e-book. They are directly felt it when they get a half areas of the book. You can choose the particular book The Birth of the Clinic (Routledge Classics) to make your personal reading is interesting. Your current skill of reading skill is developing when you just like reading. Try to choose very simple book to make you enjoy to learn it and mingle the sensation about book and looking at especially. It is to be initial opinion for you to like to open a book and learn it. Beside that the book The Birth of the Clinic (Routledge Classics) can to be a newly purchased friend when you're experience alone and confuse using what must you're doing of the time.
