The Fifty Shades of Grey Phenomena: How to write best-selling erotic romance By Chloë Thurlow

EL James has made \$50 million from the Shades of Grey Trilogy.

In "The Fifty Shades of Grey Phenomena", best-selling erotic writer Chloë Thurlow reveals the secrets of how it's done. With a point-by-point study of "Fifty Shades of Grey", Thurlow provides insider tips of writing romance erotica. She shows how to create living characters, and how to keep readers glued to the page by "showing" what's happening through action, not "telling" the reader with dull explanation.

There are selections from the first Master of Erotica, the Marquis de Sade, and how erotica has changed through the ages; excerpts from Thurlow's own writing; a list of erotic publishers hungry for new material - and lots more. For writers setting out to write romantic erotica, and for established writers who want to add a sharp new tool to their erotic toolbox, "The Fifty Shades of Grey Phenomena" is essential reading. Chloë Thurlow is the author of five acclaimed novels, numerous erotic short stories and essays.

"Ms. Thurlow's writing is captivating. The fantasy she builds flows with a hint of conspiracy and I would recommend this book to those who want to read about some of the lesser-known BDSM fetish play." The Romance Reviews, on "A Girl's Adventure", an Xcite Books top-selling title.

Chloe happens to be a personal fave author of myself and my wife. The Fifty Shades Phenomena brilliantly explains why and how this genre has now become mainstream. I love the way she breaks down the genre in a way that is easy to understand, and is immensely helpful to other other writers interested in exploring the erotic genre. Chloe uses examples from her own books to highlight the points, a clever way to showcase her own talented writing. An excellent read. --amazon

It was both incredibly fun and educational to read Chloe Thurlow's "Fifty Shades of Grey Phenomena" as I am also a writer of erotica. The main part of this book is an insightful analysis of how one goes about writing great erotica, particularly if one wishes to emulate the success of EL James' "Fifty Shades of Grey." Thurlow discusses the distinctions between the erotic and the pornographic, and as well as the ground rules for creating strong stories and erotic scenes that will keep you turning the pages till deep in the night. She backs up her theories with examples of great erotic writers, discussing particulars of their technique, and exhorts us to read them and learn in order to be able to follow in their footsteps. A passage that stood out for me was when she wrote, "Thanks to EL James, the erotic has come of age. There's a hunger for stories that take readers to places where no one has been before, a universe where the fever of sex is portrayed in fresh, lyrical ways." So true. Thurlow includes excerpts from some of her novels, and I was jealous of her writing skill. She uses vivid, unexpected metaphors and has a real genius for getting you to understand and vicariously participate in her characters' outrageous and sensual erotic experiences. I am excited to read more of her novels and inflame my senses with the naughty erotic adventures that she conjures with her wonderful talent. --amazon

From the Author

"Chloe Thurlow has certainly given me an insight into writing in the erotic genre. She explains how and what works in the right places. She has used a mainstream best seller and explained clearly on how it became a BEST SELLER! This book is informative and well worth the read." Shiralyn Lee - Amazon

"Thurlow opines that a good writer rarely needs the word 'very' but Chloe Thurlow is very, very talented indeed. I'm so jealous I think I will implode." Secret Narrative - Amazon

About the Author

My name is Chloe and I live in London where I adore going to clubs where you can wear a mask and just be yourself. All novels are based on life's experience, but only one of mine is truly autobiographical, and I am not prepared to say which one. I love hearing from readers and if you do write to me at chloe.thurlow@yahoo.co.uk - if I'm not tied up, I promise to write back. Oh, yes, and if you do like my books, pleeeeee write a little review on Amazon. I often get asked why I write erotic books and the answer is that erotic literature is just that: literature. It is a form where sex should arise from plot and, yes, while it is there to stimulate, it should be integral to the character's awareness and development. What is the difference

between erotica and porn? Porn is pure shock, often brutal, unpleasant, a complete turn off. The erotic should be saucy, sensitive, a glimpse at our own hidden desires and dark side. Porn often describes girls being molested against their will. The erotic takes us on a journey into the realms of our own undiscovered sensuality. And there's one more thing about erotic literature: it should be fun - kiss, kiss, Chloe.
