**The Heist (Fox and O'Hare Series, Book 1)** By Janet Evanovich, Lee Goldberg

**NEW YORK TIMES BESTSELLER** • From Janet Evanovich, #1 bestselling author of the Stephanie Plum novels, and Lee Goldberg, bestselling author and television writer for *Monk*, comes the first adventure in an electrifying series featuring an FBI agent who always gets her man, and a fearless con artist who lives for the chase.

Nicolas Fox is an international con man, famous for running elaborate scams on very rich and powerful people. He knows that the FBI has been hot on his trail for years—particularly FBI Special Agent Kate O'Hare. But just when it seems that Fox has been captured for good, he pulls off his greatest con of all: He convinces the FBI to offer him a job, working side by side with O'Hare.

Their first assignment takes them to the side streets of Berlin, the California desert, and remote Indonesian islands as they team up to catch Derek Griffin, a corrupt investment banker charged with stealing millions from his clients. Finding Griffin on his private island is going to test O'Hare's patience and Fox's skill. High-speed chases, pirates, and Toblerone bars are all in a day's work . . . if O'Hare and Fox don't kill each other first.

**BONUS:** This edition includes an excerpt from Janet Evanovich and Lee Goldberg's *The Chase*.

### Editorial Review

#### From [Booklist](#)

Evanovich has top billing here, but she gets some solid support from screenwriter and crime novelist Goldberg, whose own take on comedy and crime, evident in the wacky TV crime series *Monk* and books like *My Gun Has Bullets* (1995), matches Evanovich's over-the-top style to a tee. Their first book in the new Fox and O'Hare series is a near-seamless demonstration of their talents. Readers will have no trouble recognizing hallmarks of Evanovich's hugely popular *Stephanie Plum* books: a tough-talking gal heroine with a soft side; a sexy male costar; a wacky bunch of supporting characters; and plenty of flirty banter. The setup is ludicrous fun that demands total suspension of disbelief (no surprise there). Straitlaced FBI agent Kate O'Hare has devoted most of her career to catching internationally known confidence man, tricky Nick Fox. When she actually does it, she's horrified to realize she doesn't know what to do next. She doesn't have long to think about it though, as Nick escapes, and when she finds him, he's working for the FBI! His job: catch another con man who has made off with millions. After all, who better to catch a crook than another crook? Kate's not quite sure, but she's game to work alongside Nick, whose charms she finds difficult to deny. Together with help from new friends, the pair mounts an elaborate con that takes them from the American desert to an Indonesian island. With lots of face punching, international travel, and a few set-tos with modern-day pirates, it's all good nonsense, which promises more of the same in future episodes. --Stephanie Zvirin
