The Oxford Handbook of International Relations (Oxford Handbooks) By Christian Reus-Smit, Duncan Snidal

The Oxford Handbook of International Relations offers the most authoritative and comprehensive overview to date of the field of international relations. Arguably the most impressive collection of international relations scholars ever brought together within one volume, the Handbook debates the nature of the field itself, critically engages with the major theories, surveys a wide spectrum of methods, addresses the relationship between scholarship and policy making, and examines the field's relation with cognate disciplines. The Handbook takes as its central themes the interaction between empirical and normative inquiry that permeates all theorizing in the field and the way in which contending approaches have shaped one another. In doing so, the Handbook provides an authoritative and critical introduction to the subject and establishes a sense of the field as a dynamic realm of argument and inquiry. The Oxford Handbook of International Relations will be essential reading for all of those interested in the advanced study of global politics and international affairs.

Editorial Review

Review

can be warmly recommended to international lawyers seeking to enter the world of IR theory for the first time, and to those familiar with the literature who seek a reference work of depth and sophistication. James Upcher, Global Law Books

About the Author

Christian Reus-Smit is Professor of International Politics and the Head of the Department of International Relations at the Australian National University. His research focuses on the politics of international ethics and institutions, and he has published widely on issues of global governance, multilateralism, human rights, and international relations theory.

Duncan Snidal is an Associate Professor in the Department of Political Science at the University of Chicago, where he is also Chair of the Committee on International Relations. He is Director of the Program on International Politics, Economics, and Security (PIPES) and is currently Chair of the Committee on International Relations at the University of Chicago. Professor Snidal's research focuses on international relations with an emphasis on international political economy and institutions.

Users Review

From reader reviews:

Kim Bogdan:

Do you considered one of people who can't read pleasant if the sentence chained within the straightway, hold on guys this kind of aren't like that.
