**Gulliver's Travels: By Jonathan Swift : Illustrated By Jonathan Swift**

### **Why buy our paperbacks?**

1. Standard Font size of 10 for all books
2. High Quality Paper
3. Fulfilled by Amazon
4. Expedited shipping
5. 30 Days Money Back Guarantee

### **BEWARE of Low-quality sellers**

Don't buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable.

### **How is this book unique?**

1. Unabridged (100% Original content)
2. Font adjustments & biography included
3. Illustrated

### **About Gulliver's Travels by Jonathan Swift**

Travels into Several Remote Nations of the World. In Four Parts. By Lemuel Gulliver, First a Surgeon, and then a Captain of Several Ships, commonly known as Gulliver's Travels (1726, amended 1735), is a prose satire by Irish writer and clergyman Jonathan Swift, that is both a satire on human nature and a parody of

the "travellers' tales" literary subgenre. It is Swift's best known full-length work, and a classic of English literature. The book became popular as soon as it was published. John Gay wrote in a 1726 letter to Swift that "It is universally read, from the cabinet council to the nursery." Since then, it has never been out of print.

### Editorial Review

#### Review

"An excellent edition: I have used the Penguin edition, but yours is superior. The notes are much more useful, especially in a history class in which the context of the work is emphasized."--Winfield J.C. Meyers, *University of Georgia*

"The best cheap paperback edition available with an excellent, informative, and readable introduction by Paul Turner."--W.G. Walton, Jr., *Meredith College*

"This edition has excellent notes - better than Penguins. Aim for their market with more editions of this quality and you'll capture much of their market." --Winfield J. Myers, *University of Georgia*

#### From the Publisher

This book is perfect for AP classes and is often selected for inclusion on the AP exam. The notes, reading pointers, and vocabulary in this addition will also help students at a lower reading level get the most out of these classics.

#### From the Back Cover

In this narrative of the gullible ship's doctor Lemuel Gulliver and his extraordinary travels, Jonathan Swift takes readers through a series of apparently child-like fantasy worlds of tiny people and giants, floating islands and talking horses. But through this fantastic journey, he also gave to literature an enduring model of mankind's follies, vulnerabilities, vanities, and self-destructiveness. Dangerously topical in its own time and much debated ever since, Gulliver's Travels is among those works of English literature that entrap and challenge readers in every period. This edition uses the 1735 edition as its copy text, and uses the original, unmodernized text. Historical appendices provide a context for the novel's literary models, scientific influences, and complex political and religious allusions.

### Users Review

#### From reader reviews:

##### George Carter:

What do you think about book? It is just for students since they are still students or the item for all people in the world, what the best subject for that? Merely you can be answered for that concern above. Every person has diverse personality and hobby for every other. Don't to be pushed someone or something that they don't wish do that.
