**The Offer: to share a wife** By Feverman - Chad Sanders

Dawn Sweeny and Shawn O'Reilly are two hot-blooded college students living their lives to the fullest. With no responsibilities beyond school and each with a wild streak, they are footloose and fancy free. They fall hard for each other and soon find common ground in their appetite for spicy-hot, daring sex, including sharing Dawn with other male partners. Shawn is an all-star football player with his hopes set high, at the top of the game. His goal is to play pro football. Life is not always fair and sometimes innocent people pay dearly for things beyond their control. Love requires sacrifice and compromise, and at times putting one's partner first. Sexual fetishes are often quite strong and compel people to take risks with very real consequences. The partners we choose sometimes change and this requires adjustments to our values and behavior. All of those just-mentioned factors come together in *The Offer* ©, a page-turning, wife-sharing story of two young lovers who face some of life's serious complications with the potential to rip through the fabric of their marital union. Typical of Feverman's writings, *The Offer* © tells of explicit sex, coercion, partner sharing, and love, all intertwined with an uncommon honesty about our often contradictory human natures. What's different about this story is that Feverman leaves the fate of the couple's sacred bond at risk and open to the reader's interpretation. *The Offer* © is an entirely new, never before published, fantasy story which is available only on Amazon's ebook websites.
