**The One That Got Away** By Kelly Hunter

**The man who's always left her wanting more!**

Good job? Check. Newly purchased apartment? Tick. Evie's life is on a pretty even keel at the moment. The only thing missing? A man with an edge to keep things interesting.

Enter Logan Black. Tortured, distant and sexy, Logan has edge written all over him. He's also the man who tipped Evie over the edge a few years back - she gave him everything, but he didn't know when to stop taking.

Leaving Logan was the hardest thing Evie's ever done. Until now. Because Logan's back, the chemistry is as blistering as ever and this time he's not going anywhere...

#### From [Booklist](#)

Evie Jones knows it can be awkward meeting your new in-laws, but this is ridiculous. She agreed to her business partner Max Carmichael's idea that they enter into a marriage of convenience because it is the only way he can tap into his trust fund. Without that \$10 million, they have no hope of landing their first big project to jump-start their Australian construction business. So Evie agrees to a strictly platonic marriage to Max for two years, after which they will get a divorce and go back to simply being business partners. Meeting Max's mother at the engagement party is stressful enough, but when Max introduces his half brother, Logan Black, Evie realizes that her new brother-in-law is the man she had a steamy affair with 10 years ago in London, and who pretty much ruined her for any other lover. Tailor-made for readers who like strong, independent heroines and alpha heroes with emotional baggage, Hunter's fast-paced, scorchingly sexy, and vividly written novel launches KISS, Harlequin's new line of contemporary romances. --John Charles

#### Review

**Publishers Weekly Starred Review** - Readers who thrive on empowered women and dangerous men will relish this carefully crafted, intense romance with a modern, relevant voice, which sets a very high bar for the Kiss line.

#### From the Inside Flap

'I like you, Logan, in case you hadn't noticed. Baggage and all. It wouldn't be a hardship to spend another week with you. Might even be fun.'

'As opposed to...'

'Intense, confusing and ultimately heartbreakingly. I'd like to think that we have enough experience between us now to keep those elements out of play.'

'You don't like intense?'

'You're right. There's a lot to be said for intensity. That one can stay.'

'You calling the shots now, Evie?'

'Only some of them. Feel free to voice your requirements too.'

'I want exclusivity,' he said.

'The feeling's mutual.'

'And freedom.'

'I'll do my freely exclusive best.'

'Obedience.'

'And sometimes you'll get it.' Evie edged closer, elbows to the table - so much for manners. 'You don't want to dominate me completely, remember? Or am I wrong about that?'

'Just keep reminding me when I forget.'

### **Wanda Jacobsen:**

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The One That Got Away can make you truly feel more interested to read.
