Waiting for You By Abigail Strom

For Jake Landry, Erin Shaw was always off-limits—too young, too innocent, and his kid sister's best friend. Home now after a decade of military service, Jake finds Erin all grown up...but she's still off-limits. War has left him with scars invisible to anyone but him, and a relationship is the last thing he's looking for.

As a teenager, Erin had a hopeless crush on her friend's big brother. Now that she's an adult, she thinks she's put all that behind her. But when she sees Jake again, she discovers her old feelings are alive and well...and blossoming into something new.

Jake doesn't believe in happily-ever-after. And since he can't give Erin what she deserves, he tries to stay away from her. But when the attraction between them turns explosive, his resistance starts to crumble. Will Erin find a way past Jake's armor, all the way to his heart?

This is a new release of a previously published edition.

Editorial Review

About the Author

Abigail Strom started writing stories at the age of seven and has never been able to stop. On her way to becoming a full-time writer, she earned a BA in English from Cornell University as well as an MFA in dance from the University of Hawaii, and held a wide variety of jobs from dance teacher and choreographer to human resource manager. Now she works in her pajamas and lives in New England with her family, who are incredibly supportive of the hours she spends hunched over her computer. When she needs a break from writing, she watches episodes of *Doctor Who*, *Sherlock*, and *Monty Python* with her husband and son, and talks to her cats in a British accent.

This Waiting for You can be the reply, oh how comes? The new book you know. You are consequently out of date, spending your spare time

by reading in this new era is common not a geek activity. So what these guides have than the others?

Nancy Landry:

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just small students that has reading's soul or real their interest. They just do what the professor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Waiting for You can make you sense more interested to read.
