What is Islam (Goodword): Islamic Children's Books on the Quran, the Hadith and the Prophet Muhammad By Maulana Wahiduddin Khan

The concept of God in Islam provides man with an ideology in which loss is turned to gain and in which adversity brings with it good tidings. And it is in submission to God and living a Godoriented life that man finds complete fulfilment and purpose of life.

When he discovers God and worships Him, when he remembers Him, when his mind is turned towards Him with full concentration, when he makes a request or a plea, he establishes a contact with his Creator.

In the words of the Hadith, at that particular moment he comes to whisper with his Lord. He has the tangible feeling that he is pouring his heart out to God and that God in turn is answering his call. He starts receiving inspiration from God. This is the beginning of living a GodOriented Life and the development of a positive personality.
