**Caught in Us (Lost Book 3) By Layla Hagen**

### USA TODAY BESTSELLING AUTHOR

Dani Cohen knows Damon is trouble the second he walks in during senior year. He has bad boy written all over him. . .from his arrogant smirk to his perfectly toned abs. He is arrogant, intense, rebellious.

Dani has her future all planned out. She's not the type to fall for a bad boy, no matter how panty-melting his grin is or how shamelessly he flirts. But something about Damon draws her in, awakening a desire she's never felt. Slowly, she uncovers the secrets Damon hides: underneath his arrogance lies a tortured soul, his flirting smile masks despair.

Damon arrives in Dani's life against his will. Carrying the scars of a dark past and facing an uncertain future, he knows he should stay away from her, but can't. Her innocence consumes him, as does the desire to indulge in the passion igniting deep inside her.

An all-consuming bond blooms into a reckless love. But when mistakes from the past threaten their already fragile future, can their love survive?

\*This read is recommended for 18+ due to romance and sex and mature themes.\*

### Editorial Review

Review

Excerpt

"You should swim. Swimming always helps me let off steam," I say.  
His hands in his pockets, his lip curls into a smile, as if he's laughing at a private joke.  
"Do they have bathing suits in the supplies room?"  
"Oh." I slap my forehead. "No. There are towels and thirty-five different types of equipment for training. But no bathing suit. Well, this is a fail. We might as well go get some lunch then."  
"No way. I'll swim, but under one condition. You swim with me too, and we'll be skinny dipping."  
I pad back, my throat suddenly dry. "What?"  
"You heard me." A smile plays on his lips as he throws his jacket on the floor and starts unbuttoning his shirt.  
"I've never done this before," I stammer, looking away.  
"Were you just saying earlier there is a first time for everything? I won't look when you undress. The water will cover you in the basin."  
I raise an eyebrow. "The water is transparent."  
"Lucky me." He takes off his shirt, and in a fraction of a second, heat pools low in my abdomen. I also register a tattoo running all along his right arm. I bite my lip, turning away, afraid he might tell how much I'm burning for him. Oh, God, if I react like this just by seeing him without a shirt... Just *hearing* him undo his belt and unzip his jeans makes the heat spread inside me. When a soft thump sounds, I'm almost swaying. Did he just drop his *boxers*?  
"You can look, you know," Damon says. "I give you permission."  
Despite myself, I do peek at him just as he's entering the water. His back and butt greet me. I gulp. He must work out a lot. Every muscle looks sculpted. I wonder how it would feel to touch them.

### Users Review

From reader reviews:

**James Bardsley:**

As people who live in the particular modest era should be updated about what is going on or info even knowledge to make these keep up with the era which can be always change and make progress. Some of you may update themselves by examining books. It is a good choice for you personally but the problems coming to a person is you don't know what kind you should start with. This Caught in Us (Lost Book 3) is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and wish in this era.

**Larry Jones:**

Nowadays reading books become more and more than want or need but also be a life style. This reading behavior gives you a lot of advantages. Associate programs you got of course the knowledge even the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want to attract knowledge just go with education books but if you want to sense happy read one together with theme for entertaining such as comic or novel. The actual

Caught in Us (Lost Book 3) is kind of reserve which is giving the reader capricious experience.

**Michelle Garrett:**

Reading can be called brain hangout, why? Because if you are reading a book particularly book entitled Caught in Us (Lost Book 3) your mind will drift away through every dimension, wandering in every aspect that maybe unidentified for but surely will become your mind friends. Imaging each and every word written in a e-book then become one contact from conclusion and explanation in which maybe you never get ahead of. The Caught in Us (Lost Book 3) giving you another experience more than blown away your brain but also giving you useful information for your better life in this particular era. So now let us explain to you the relaxing pattern this is your body and mind will be pleased when you are finished examining it, like winning a game. Do you want to try this extraordinary paying spare time activity?

**Kenneth Matson:**

It is possible to spend your free time to study this book this e-book. This Caught in Us (Lost Book 3) is simple to deliver you can read it in the playground, in the beach, train and also soon. If you did not have much space to bring often the printed book, you can buy typically the e-book. It is make you simpler to read it. You can save often the book in your smart phone.
