**Last Stand on the Ocean Shore: The Mystery of Herobrine: Book Three: A Gameknight999 Adventure: An Unofficial Minecrafter's Adventure (The Gameknight999)** By Mark Cheverton

**The final battle to defeat Herobrine will take Gameknight999 over land and under water!**

Herobrine is rallying all the monsters of Minecraft to one server in hopes of eliminating Gameknight999 and his friends once and for all. They destroy every village they find, threatening to continue until the User-that-is-not-a-user surrenders. Gameknight has just two things: the Oracle's command to seek out the lost ocean monument and an impenetrable riddle: "Look to the lowliest and most insignificant of creatures, for that is where your salvation will lie."

Haunted by this seemingly useless clue, Gameknight searches for the mysterious underwater lair where the Book of Wisdom is hidden, which he is told holds the secret to the riddle and the key to defeating Herobrine. But at every turn lies a massive army of monsters. With no map to guide them, Gameknight and his friends will fight for their lives to reach the deep ocean destination, and a terrifying creature awaits them there. The Mystery of Herobrine series comes to an explosive conclusion on the shores of Minecraft, where one false move could spell the end for Gameknight999 and company!

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
