From the *New York Times* bestselling author of the Ethan Frost novels—*Ruined*, *Addicted*, and *Exposed*—comes the sultry tale of a young woman searching for a bit of control . . . and the powerful new boss who makes her go wild. Originally released as a five-part serial, this eBook bundle collects the complete saga from beginning to end: a sizzling affair loaded with desire, seduction, betrayal, and dark romance.

*My name is Aria Winston. I've fought desperately to escape the seedy underbelly of Las Vegas. Now I'm on my own, in control of my own life and my own destiny . . . just the way I like it. Until Sebastian Caine changes everything.*

Working as a cocktail waitress at one of Vegas's hottest five-star casinos means putting up with a ton of bad behavior from the big spenders. But it pays the bills—and that's all that matters to Aria, who needs every last dollar to escape from her father's destructive grasp and the brutal man he expects her to marry. But when she lashes out against a billionaire who won't take no for an answer, she nearly loses everything—until Sebastian steps in. The owner's son and handpicked successor, Sebastian is dark, sexy, and kinder than any rich man should be. And when he apologizes and offers to keep her job safe, Aria can't help the way her body reacts to his. Suddenly her job, and the security it brings her, isn't the only thing Aria wants.

***Play Me* is intended for mature audiences.**
