## Sample Workbook to Accompany Professional Sewing Techniques for Designers By Sharon Czachor, Julie Cole

This workbook consists of instruction sheets, pattern pieces, templates, and a loose leaf binder for convenient storage. Using these resources, students can sew sample garment details. Instructions for each project list the materials and tasks needed to prepare the samples. The instructions include cross references to the text describing each sewing technique. For each chapter, patterns for each set of samples are designed in a size to suit each particular sewing technique, and clear cutting information is provided. Worksheets include space to mount the samples and document results.
