### **Book 3 in The Fairy Tales of New York series**

Once upon a time, Mercedes ‘Mercy’ Hernandez had the most enormous crush on her best friend’s older brother, Seb Madison. Now, though, she can’t stand the beast. Forget that he’s as spine-tinglingly gorgeous as ever. He’s a lousy brother and a manipulative bastard, not that she ever thinks about that disastrous one night stand they once had...

Still riddled with guilt over the death of his parents, billionaire loner Seb Madison has spent so long emotionally shut off that when beautiful, fiery Mercy bursts into his life again, he doesn’t know what’s hit him. All he knows is that she confuses him and he doesn’t like it.

Yet their chemistry hasn’t faded and, when hostility turns to attraction, a no-strings affair seems the logical solution. Mercy’s taking a much needed break from her family’s Argentinian vineyard to study for an MBA and Seb doesn’t do relationships. Neither have either the time or inclination for anything other than weekends-only red-hot sex. Or do they...?

### Editorial Review

From the Author

*Taming the Beast* is the third in the Fairy Tales of New York series, all four stories being loosely based on favorite fairy tales. I had the BEST time working on this book. Brainstorming has never been such fun. Honestly, the conversations we had... And Sully's, the Brooklyn pub where the girls hang out? I really wish it existed... Anyway, as the books are closely linked it's best to read them in sequence

From the Inside Flap

"Seb?"

"What?" he muttered, lifting the phone to his ear and concentrating on the ringtone instead of her.

"Do you ever think of me?"

"In what context?" He started drumming his fingers on the desk.

"In the hot and naked context."

Seb went still. The drumming stopped. He cut the call. Right. Well. There was a question. Did he think about Mercy hot, naked and in his arms? Panting and pleading and begging him to do to her all the things he shouldn't want to do to her? "No."

About the Author

Lucy King has been writing contemporary romance since 2009 and honestly can't think of a better job to have. Conjuring up swoon-worthy heroes, sassy heroines and heart-melting happy ever afters definitely beats the fund management and corporate fraud investigation she worked in before. Originally from London, Lucy lives in south-west Spain with her family where she spends much of the time reading, failing to finish cryptic crosswords and trying to convince herself that the beach really is the best place to work.
