Action Heroes Archives, Vol. 1 (DC Archive Editions) By Steve Ditko, Joe Gill

Before the Creeper, before Hawk and Dove, even before co-creating Spider-Man, one-of-a-kind comic book artist/writer Steve Ditko illustrated his first super hero; the Cold War adventures of the nuclear powered Captain Atom. Readers and fans now have a chance to own all the Charlton Comics' appearances of the original hero.

Editorial Review

From [Booklist](#)

This shows what artist Steve Ditko was capable of when separated from his best-known collaborator, *Spider-Man* cocreator Stan Lee. The earliest of these stories starring nuclear--powered Captain Atom were published in 1960-61 by poverty-row company Charlton Comics. Hence, they predate *Spider-Man* and display some of Ditko's most detailed and characteristic artwork. Captain Atom was revived in 1965, and the later tales, written in the then-dominant style of Marvel Comics, have better scripts but relatively lackluster illustrations. That said, this collection remains a valuable showcase of one of the comics' true originals.
