Do You Want To Grow Your Orchids The Best Way There Is? These 3 Complete Guides Will Give You Knowledge That You Need!

NEW EDITION, JULY 2016

I offer you my 3 ultimate guides about orchids cultivation to improve your skills and knowledge about these beautiful plants. Read these books and grow your orchids like a pro!

This is what the Orchids Care Bundle is all about.

The first book aims to familiarize you with different aspects of the orchid plant before getting started. The aim of this endeavor is to help beginners realize that growing orchids is like having a pet. If you pay attention to them they will repay you with lovely blooms. If you wish to grow this spectacular plant in your garden, but thought that it was too difficult, then this book will help you to get started. Even if you have failed to bloom orchids in the past, there are several tips and techniques to help you keep your orchids blooming, no matter your environment or experience, budget and location. The book demystifies the growing process and reveals professional secrets for blooming, repotting and pests.

In the second book I have taken you ahead of the basics and have introduced you to the nuances of taking care of the plant when it is affected by disease or by pests. The process of replanting the baby orchid or keiki has been explained.

Reproducing the orchid can be a fun and enjoyable experience that provides immense satisfaction when you see the new plant grow and bloom. This also requires choosing the right medium for potting the plant. All this seems daunting? Well, you do not have to worry as this book will guide you through the process.

The third book is about Phalaenopsis orchids care. Phalaenopsis orchids are easy to keep, lovely to see, and exciting to grow on your own. The process mentioned in the book is just to help you know how to take care of your orchids and turn them into fully grown cycles of plants. Overall, the book gives an overview of this plant, conditions of its survival, and important knowledge about it. You can easily learn about the growth of these orchids even if you are a beginner at it. You just need to know that no one is perfect and even the perfect ones had first times.

Loaded with tips to help you take care of your orchids, easy to follow directions, this bundle is a MUST for any orchids lovers. Perfect for beginners as well as orchid hobbyists.
