## The Prince of Midnight By Laura Kinsale

He was once a legendary highwayman. Now he's a recluse in a ruined French castle, with only a half-wild wolf for a companion. When Lady Leigh Strachan comes looking for a man to aid in her revenge, she is disillusioned to find that the famed Prince of Midnight could not help even if he cared to—which he does not. S. T. Maitland wants nothing to do with his legend, or with this fierce, beautiful, broken woman . . . until the old thrill of living on the cutting edge of danger begins to rise in his blood again.

### Editorial Review

From Publishers Weekly

Romance readers should be enchanted with Kinsale's ( *Seize the Fire* ) unlikely 18th-century duo: a staunchly unsentimental heroine and the has-been highwayman who joins her quest for vengeance. Leigh Strachan's parents and sisters are dead, and she's determined to murder the man responsible: The Right Reverend James Chilton. To this end, she tracks down S. T. Maitland, once the infamous robber called the Prince of Midnight but now a recluse--he can teach her how to handle a gun and a sword. But her "prince" is a disappointment: he's deaf in one ear, inclined to dizzy spells, a hopeless romantic starved for female company--and he fancies a wolf as a housepet. Just as Leigh concludes that S.T. is useless, he decides to become her champion. As they travel to Leigh's home to challenge Chilton, each emerges from a kind of cocoon: S.T. regains his skills, Leigh her capacity to feel affection. Unfortunately the unscrupulous reverend and his deluded followers are far less interesting than the bantering Leigh and S.T., and the prolonged confrontation seems more drab than dramatic.
