Fairy Princess Amber and the Journey to the Wizard's Tower: (A Magical Illustrated Bedtime Story for Kids Ages 2-8 - A Flower Fairies Princess Adventure - Kids Princess Books for Girls and Boys) By Simon Knight

The fairy kingdom is the most magical and cheerful place on Earth. The fairies want nothing but happiness, joy and love to be spread throughout the kingdom to all who live there. When the sun goes dark and rain clouds cover the sky the fairies are trapped inside. It's up to their Princess to go on a journey to restore the sun to the sky and banish the curse of the dark, rainy clouds.

With a bag of magic dust and a lot of bravery will Princess Amber be able to save the fairy kingdom from the neverending rain and convince the wizard to embrace the sunshine?

Hearing the outcry of sadness from the fairies who are trapped inside during the rainstorms Princess Amber sets out to convince the wizard who has cursed the kingdom to let the sun shine and stop the rain. With her kindness and grace Princess Amber helps everyone in her path including a big, angry bear with a soft heart and a sweet little bunny who is discovering the bright colors of nature for the very first time.

Before the end will she be able to transform the wizard's heart and show him the kind of joy and love that the fairies spread with their powers or will the rain wash away all hopes of happiness for the kingdom if he shuts her out of his tower?
