**Gauchos and the Vanishing Frontier** By Richard W. Slatta

Although as much romanticized as the American cowboy, the Argentine gaucho lived a persecuted, marginal existence, beleaguered by mandatory passports, vagrancy laws, and forced military service. The story of this nineteenth-century migratory ranch hand is told in vivid detail by Richard W. Slatta, a professor of history at North Carolina State University at Raleigh and the author of *Cowboys of the Americas* (1990).
