La Bonne Table Ludwig Bemelmans

Here is the best of Bemelmans on the subject he loved most: *la bonne table*. The entrancing memories and charming pictures assembled here transport the reader behind the scenes of the great hotels of Europe and America--including the immortal "Hotel Splendide"--and such restaurants as the *Tour d'Argent* in Paris and Le Pavillon in New York. Memorable dishes, the eccentric geniuses of the kitchens who created them, the opulent and often astonishing patrons who ordered them, the legendary wines and the occasions they toasted, are all evoked in rich and piquant flavor.

The gifted and exuberant Ludwig Bemelmans was trained as a boy for a career as a restauranteur, and *La Bonne Table* is in effect his gastronomical autobiography. The high--and sometimes riotous low--points of his life with food, from Austrian cafes to the late, lamented Ritz of New York, are narrated with delight and zest as he celebrates beer and sausages, pressed duck and caviar, and the chefs who cooked for him. He remembers with decidedly mixed emotions the ways of the busboy and the waiter, and the qualities that make up the perfect *maitre d'*. He muses over great menus and great eaters--and soon makes the reader very hungry. Here, truly, is a feast of reading, as a lost world of luxury and elegance is brilliantly evoked and savored. Bemelmans' extraordinary charm captivated all who met him; it glows through the pages of *La Bonne Table*.

Editorial Review

About the Author

Ludwig Bemelmans was an essayist, humorist, novelist, artist and an author of books for children. Hansi was the first of Bemelmans' fifteen children's books. It was very well received by most reviewers, but it was *Madeline*, which brought Bemelmans his greatest success.

Although Bemelmans became famous for his *Madeline* books, he always considered himself more an artist illustrator than a writer, and later in life he became a serious painter with works now on display in the Metropolitan Museum in New York and the Musée National d'Art of Paris.

Besides children's books, Bemelmans wrote adult books and was a contributor of many magazines, including *Vogue* and *The New Yorker*. Bemelmans also did many cover illustrations for *The New Yorker*.

Users Review

From reader reviews:

Mark Hofmeister:

Do you certainly one of people who can't read pleasant if the sentence chained inside the straightway, hold on guys that aren't like that. This *La Bonne Table* book is readable by you who hate those perfect word style. You will find the info here are arrange for enjoyable examining experience without leaving possibly decrease the knowledge that want to give to you. The writer associated with *La Bonne Table* content conveys the thought easily to understand by many people. The printed and e-book are not different in the articles but it just different as it. So , do you even now thinking *La Bonne Table* is not loveable to be your top list reading book?

Adele Yeager:

People live in this new moment of lifestyle always aim to and must have the time or they will get large amount of stress from both day to day life and work. So , when we ask do people have time, we will say absolutely of course. People is human not really a robot. Then we ask again, what kind of activity do you possess when the spare time coming to you of course your answer will certainly unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative in spending your spare time, the book you have read is *La Bonne Table*.

Kathy Norvell:

Playing with family within a park, coming to see the sea world or hanging out with close friends is thing that usually you could have done when you have spare time, subsequently why you don't try matter that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love *La Bonne Table*, it is possible to enjoy both. It is excellent combination right, you still would like to miss it? What kind of hangout

type is it? Oh seriously its mind hangout people. What? Still don't obtain it, oh come on its known as reading friends.

Lee Wing:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book has been rare? Why so many concern for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but also novel and La Bonne Table or others sources were given expertise for you. After you know how the truly great a book, you feel would like to read more and more. Science publication was created for teacher or even students especially. Those ebooks are helping them to include their knowledge. In some other case, beside science book, any other book likes La Bonne Table to make your spare time much more colorful. Many types of book like here.
