**Narcissus and Goldmund: A Novel** By Hermann Hesse

*Narcissus and Goldmund* is the story of a passionate yet uneasy friendship between two men of opposite character. Narcissus, an ascetic instructor at a cloister school, has devoted himself solely to scholarly and spiritual pursuits. One of his students is the sensual, restless Goldmund, who is immediately drawn to his teacher's fierce intellect and sense of discipline. When Narcissus persuades the young student that he is not meant for a life of self-denial, Goldmund sets off in pursuit of aesthetic and physical pleasures, a path that leads him to a final, unexpected reunion with Narcissus.

### Editorial Review

#### Review

“A poetic novel unique in its fascination.” ?*Thomas Mann*

“Hesse was a great writer in precisely the modern sense: complex, subtle, allusive; alive to the importance of play, to the desperate yet frolicsome game of writing....Narcissus and Goldmund is his very best....What makes this short book so limitlessly vast is the body-and-soul-shaking debate that runs through it, which it has the honesty and courage not to resolve: between the flesh and spirit, art and scientific or religious speculation, action and contemplation, between the wayfaring and the sedentary in us.” ?*The New York Times Book Review*

“One of the most profound and magical novels published in our age.” ?*Kirkus Reviews*

#### Language Notes

Text: English (translation)

Original Language: German

#### From the Publisher

Hesse's novel of two medieval men, one quietly content with his religion and monastic life, the other in fervent search of more worldly salvation. This conflict between flesh and spirit, between emotional and contemplative man, was a life study for Hesse. It is a theme that transcends all time. The Hesse Phenomenon "has turned into a vogue, the vogue into a torrent. . .He has appealed both to. . . an underground and to an establishment. . .and to the disenchanted young sharing his contempt for our industrial civilization."--*The New York Times Book Review*

### Users Review

#### From reader reviews:

#### Verna Smith:

Do you among people who can't read gratifying if the sentence chained inside straightway, hold on guys that aren't like that. This Narcissus and Goldmund: A Novel book is readable by simply you who hate those straight word style.
