Trust. A little word that means so much.

Grace Deleo wanted to jump. She wanted to dive headfirst into love with Logan. The one thing that was missing was trust. If she couldn't trust him, how could she love him?

Logan McFadden knew he had screwed up the best thing he had going for him. All he had to do was tell the truth and it all would be ok. But trust goes both ways. Could he trust Grace with his secrets if she didn't trust him with hers?

Can they learn to trust each other and let love win?
