On My Way to School By Sarah Maizes

Getting ready for school is the perfect time to procrastinate! Whether she's an elephant at a waterhole, leader of an expedition to Mount Everest, or a star posing for paparazzi, Livi's imagination takes her on exciting adventures on her way to school. With stalling techniques as creative as this, it's a wonder she ever makes it to school at all! Sarah Maizes and Michael Paraskevas create another funny, fresh book for every parent who wants to foster creativity in their family's everyday routines.

Editorial Review

Review

“Would that every kid had an imagination like Livi's so that getting ready for school was always this much fun.” *?Kirkus Reviews, starred review*

“Livi's vibrant imagination and abundant energy leap off the pages.” *?Publishers Weekly*

“Full of vivid color, expressiveness, and humor. Readers who found Livi's earlier adventures hilarious, will most likely enjoy her latest stalling tactics.” *?School Library Journal*

“Sure to be a crowd-pleaser in story times, classrooms, and laps everywhere.” *?School Library Journal for On My Way to the Bath*

“The precocious, emphatic narration and escalating back-and-forth between Livi and her mother will enliven any read-aloud. There are plenty of books on the shelf covering kids' reluctance to get into the bathtub, but Maizes, making an assured debut, and Paraskevas suggest there's room for one more.” *?Publishers Weekly for On My Way to the Bath*

“Readers will be thrilled with the ending.” *?Kirkus Reviews for On My Way to the Bath*

“The queen of stalling tactics in *On My Way to the Bath* returns to delay another daily ritual with imagination and pizzazz. Children will enjoy the humor in the pictures as much as the text. Adults will smile at this fun exaggeration of the familiar nighttime battle. Great for one-on-one or group sharing, this book is a solid purchase.” *?School Library Journal for On My Way to Bed*

Users Review

From reader reviews:

Dean Rakestraw:

In this 21st century, people become competitive in every way. By being competitive right now, people have do something to make these people survives, being in the middle of the particular crowded place and notice

simply by surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. Yeah, by reading a book your ability to survive raise then having chance to stand up than other is high. For you who want to start reading a new book, we give you this specific On My Way to School book as starter and daily reading publication. Why, because this book is greater than just a book.

Helen Johnson:

Reading a e-book can be one of a lot of action that everyone in the world likes. Do you like reading book therefore. There are a lot of reasons why people love it. First reading a guide will give you a lot of new data. When you read a book you will get new information mainly because book is one of a number of ways to share the information as well as their idea. Second, reading a book will make you actually more imaginative. When you reading through a book especially fictional book the author will bring one to imagine the story how the character types do it anything. Third, you may share your knowledge to other folks. When you read this On My Way to School, you could tells your family, friends and also soon about yours reserve. Your knowledge can inspire different ones, make them reading a e-book.

Tony Jacobson:

The particular book On My Way to School has a lot associated with on it. So when you check out this book you can get a lot of benefit. The book was compiled by the very famous author. This articles author makes some research before write this book. This specific book very easy to read you can obtain the point easily after looking over this book.

Macie Tiffany:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's heart or real their interest. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this On My Way to School can make you feel more interested to read.
