Dawn of the Dragons: Here, There Be Dragons; The Search for the Red Dragon (The Age of Dragons) By James A. Owen

What if all your most beloved stories were true? The stuff of legend lays the foundation for lore in this first installment of *The Age of Dragons*, an epic literary fantasy series that is at once both strange and familiar.

In *Here, There Be Dragons*, an unusual murder brings together three strangers, John, Jack, and Charles, on a rainy night in London during the first World War. An eccentric little man called Bert tells them that they are now the Caretakers of the *Imaginarium Geographica*—an atlas of the Archipelago of Dreams, which contains all the lands that have ever existed in myth and legend, fable and fairy tale. And these adventures will help shape two of these men into the greatest fantasists of their generation: C.S. Lewis and J.R.R. Tolkien.

In *The Search for the Red Dragon*, it has been nine years since John, Jack, and Charles had their great adventure in the Archipelago of Dreams and became the Caretakers of the *Imaginarium Geographica*. Now they have been brought together again to solve a mystery: Someone is kidnapping the children of the Archipelago. Their to save the world from a centuries-old plot is to seek out the last of the Dragonships—the *Red Dragon*—in a spectacular journey that takes them from Sir James Barrie's Kensington Gardens to the Underneath of the Greek Titans of myth.

Editorial Review

Review

"Is there anyone who wouldn't enjoy reading *Here, There Be Dragons*? If there is such a person, I haven't met him, and I doubt that I would like him if I did. I am only disappointed that, because this book is so new, I'll have to wait too long to read the sequels." (Orson Scott Card, author of *Ender's Game*)

"*Here, There Be Dragons* begins in a WWI London that is both comfortable and familiar, but quickly moves into a fantastic world of myth and magic. There, talking animals drive steam-powered cars; the Green Knight watches over the remnants of a fallen kingdom; and a legendary mapmaker sits in a tower made of time itself.... In James Owen's Archipelago of Dreams, living Dragonships take the heroes -- and readers -- into places so filled with wonder that you never want the dreams to end." (Kai Meyer, author of *The Water Mirror*)

About the Author

James A. Owen is the author of the *Chronicles of the Imaginarium Geographica* series, the creator of the critically acclaimed *Starchild* graphic novel series, and the author of the *Mythworld* series of novels. He is also founder and executive director of *Coppervale International*, a comic book company that also publishes magazines and develops and produces television and film projects.
