### Ember's Burn: A Steel Demons MC Novel (Steel Demons MC Series) (Volume 2) By Annelise Reynolds

As President of the Steel Demons, Titan has never had to work for a woman in his life, until he met McKenzie. McKenzie has a past filled with horrors that have come to silence her. As she embraces her new identity, as Ember, the danger mounts and Titan struggles not only to protect her from the monsters of her past, but from losing herself. Will Titan save McKenzie once more, or will the monsters from her past silence her forever, and will there be anything left of McKenzie after Ember Burns? \*\*Note: While this book can be read as a standalone, it is best read in order of the series. Also, this book contains adult situations, graphic scenes, and deals with the subject of rape, so if it will affect you reading it, this may not be the book for you.
