### Editorial Review

#### Review

"Flight is indeed the metaphor that makes the story soar. Ultimately this is a fable about the importance of seeking a higher purpose in life, even if your flock, tribe, or neighborhood finds your ambition threatening. By not compromising his higher vision, Jonathan gets the ultimate payoff: transcendence. Ultimately, he learns the meaning of love and kindness...This is a spirituality classic and an especially engaging parable for adolescents." --Amazon.com, editorial review

"This book is a new and valuable citizen in that very wondrous world ruled by St.-Exupéry's *Little Prince*. I suspect all of us who visit the worlds of Jonathan Seagull will never want to return." --Ernest K. Gann, *New York Times* bestselling author

"Richard Bach with this book does two things. He gives me flight. He makes me young. For both I am deeply grateful." --Ray Bradbury, *New York Times* bestselling author

"It is easy now, [more than] thirty-five years on, to overlook the originality of the book's concept, and though some find it rather naive, in fact it expresses timeless ideas about human potential." --Tom Butler-Bowdon, author of *50 Spiritual Classics*
