## The One That Got Away By Jess Dee

What happens when the one that got away comes back into your life?

Lily Kember never dreamed a causal introduction to a friend's friend would change her life, but three days after meeting Kai Jettison, she's fallen deeply and irrevocably in love.

Kai falls just as hard, yet minutes after telling her as much he has no choice but to rip her heart to shreds, leaving whatever has blossomed between them lying in tatters on the ground.

It's been five months since that fateful day. Five months of no contact. Now Kai is attending the same end of year bash as Lily, and bumping into him seems unavoidable. Lily's choices are limited: either steel her emotions against Kai or risk losing her heart to him all over again.

Warning: You'll be amazed how much heat can be packed into one short story.

(This book has been previously published. It is a quick read of 8 000 words.)
