### Trashed (Stripped) By Jasinda Wilder

I'm nobody. I'm an orphan. A janitor. A college student. A virgin. And him? He's a god. One of the hottest action stars to ever grace the silver screen, huge and muscular and gorgeous and famous. He could have anyone in the world.

Yet, despite the chasm separating my world from his, I find myself in his hotel room, and he's acting like I'm the most beautiful girl in the world. I'm not. He's everything every woman could ever want, and I'm just...me.

\*\*\*

She doesn't know how sexy she is, and that's it's own kind of beauty. But for real, she's gorgeous. I've met some of the hottest women in Hollywood, and none of them can hold a candle to this girl. I want her. And the fact that she's closed off and impossible to figure out only makes the pursuit that much more intriguing.

The last thing I expect is for one night of pleasure to turn into something I'm unable to forget, even after she's gone her way and I've gone mine. I can't forget her, no matter how I try. And the next time we run into each other, I know there's no way I can let her go again. No matter what it takes.

\*\*\*This is a full length, stand-alone contemporary romance, set in the world of STRIPPED\*\*\*
