##### **Matthew Schwartz:**

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's spirit or real

their passion. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this 1001 Dumbest Things Ever Said by Steven D. Price published by The Lyons Press (2008) can make you sense more interested to read.
