## **Art Critiques: A Guide (First Edition)** By James Elkins

This is a guidebook for art students at the college level (BA, BFA, MFA, PhD). Compared to other books on critique, this book is more colorful, more engaging, and less formal. "James Elkins is one of the world's leading educators in the visual arts. In *Art Critiques: A Guide*, Elkins shines his bright light across the long overlooked shadowland of studio education. Beautifully written and easy to use, this book is an absolute must for art students and faculty alike." -George Smith, Founder & President, Institute for Doctoral Studies in the Visual Arts. "Elkins introduces refreshing commonsense in the tired and tiresome activity of the critique of art works by students. A dissection geared to avoid or delay a future autopsy of the field, the book uses case studies that teach as much about "how to" as they do about "how not to." A nice and often funny exercise in debunking, *Art Critiques: A Guide* is also a fascinating analysis of the successes and failures in communication among people." -Luis Camnitzer, Professor Emeritus, State University of New York, and Pedagogical Advisor to the Cisneros Foundation.

## **Editorial Review**

From the Author

Amazon lists this as the paperback: actually it is the first edition (2011), in black and white. There is also a first edition (2011) in color, with a different cover--Amazon lists that as the hardcover. (Apparently Amazon's computers can't handle the idea of a color edition and a black and white edition.)

Note: this book is revised every year. The second edition (2011) is entirely rewritten and expanded.

## **Users Review**

**From reader reviews:**

**James Hubbard:**

Have you spare time for a day? What do you do when you have a lot more or little spare time? Yeah, you can choose the suitable activity to get spend your time. Any person spent all their spare time to take a wander, shopping, or went to the actual Mall. How about open or even read a book allowed Art Critiques: A Guide (First Edition)? Maybe it is to get best activity for you. You already know beside you can spend your time with the favorite's book, you can better than before. Do you agree with it is opinion or you have additional opinion?

**Emma Englund:**

Reading a e-book tends to be new life style on this era globalization. With looking at you can get a lot of information that may give you benefit in your life. Along with book everyone in this world can easily share their idea. Books can also inspire a lot of people. Lots of author can inspire their own reader with their story or even their experience. Not only the story that share in the publications. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors these days always try to improve their ability in writing, they also doing some study before they write with their book. One of them is this Art Critiques: A Guide (First Edition).

**Jean Cunningham:**

Spent a free the perfect time to be fun activity to try and do! A lot of people spent their free time with their family, or their very own friends. Usually they carrying out activity like watching television, going to beach, or picnic in the park. They actually doing same task every week. Do you feel it? Will you something different to fill your personal free time/ holiday? Could be reading a book is usually option to fill your free of charge time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to try out look for book, may be the e-book untitled Art Critiques: A Guide (First Edition) can be excellent book to read. May be it might be best activity to you.

**Wendy Hartnett:**

Are you kind of active person, only have 10 as well as 15 minute in your time to upgrading your mind talent or thinking skill even analytical thinking? Then you have problem with the book compared to can satisfy your small amount of time to read it because this all time you only find book that need more time to be go through.
