From the Back Cover

CREATE YOUR OWN CUSTOMIZED BIBLE STUDIES IN A FRACTION OF THE TIME IT TAKES TO START FROM SCRATCH! Off-the-shelf Bible studies are great when you need something in a hurry, but they're seldom suited to your exact needs or background. You often find yourself adapting the material as you go along. Do-it-yourself studies, on the other hand, can be designed to perfectly match the interests and maturity levels of your group. But you pay for it in preparation time. Now New Testament LessonMaker combines the advantages of both kinds of studies by allowing you to pull together customized Bible studies in a fraction of the time it takes to start from scratch. Created by the developers of the bestselling Life Application Bible, LessonMaker provides a collection of over 18,000 questions from all 692 passage breakdowns of the NIV New Testament. By going to the index and selecting the passage or topic you'd like to cover, you can quickly build a Bible study that's perfectly tailored to your group's composition. Four types of questions are provided for each passage—Open It, Explore It, Get It, and Apply It—to guide you from warm-up to personal application. Each passage even has its own suggested “ready-to-go” list of questions in the event you need something by yesterday. Ideal for Bible study leaders, small group coordinators, Christian education directors, pastors, and all teaching staff, the New Testament LessonMaker stands as an invaluable, time-saving preparation tool. (LessonMaker is also available on computer diskette.)
