**ONE WEEK FLING (A Billionaire Bad Boy Romance)** By Bella Grant

**It was supposed to be just a one-night stand!**

One night with no strings attached, one night of causal fun, one night of letting loose and living a little. That was Ashlyn Norris's plan before agreeing on a ski resort adventure with a total stranger she met on online. Everything was perfect until a horrible snow storms turns one night of indiscretion into a one-week arrangement – with a billionaire intent on showing her things she's never felt.

**Braydon Turner is not looking for a commitment.**

He's not looking for a woman to latch on to him. He's been there, done that, and was never going to commit to a single woman again. He doesn't have time for women, between running his multibillion-dollar fitness chain and trying to escape the claws of eligible girls in his social circle. All he wants for the night is a submissive woman to warm his bed. Nothing too complicated. Nothing an online dating site can't provide. Ashlyn seemed perfect – naïve, beautiful, and with the right online profile.

**One night was all he needed with her. One night, not seven!**
