In this book, the reader will discover the answers to: • Why love does not last in most relationships • Where you go after you die if you are prepared • How to correct unconscious dating • How to keep loving relationships even after death • How to find your larger community of aware individuals • Discover the "not doing" of sex to maintain passion forever "Sex Dreaming resolves the most pressing personal dilemma of our time; how to have honest commitments in our relationships and at the same time fulfill our destiny as magical beings." Finally the readers of Toltec literature, as revealed in contemporary times by Carlos Castaneda, are presented with the missing key for their complete awareness. In his revolutionary book, Anthony Flores Vega has brought back hitherto hidden nagual teachings from the last members of the Quetzalcoatl lineage. Any detailed discussion of sexuality had been absent from the Rule of the Nagual . . . until this moment in modern history. "The Map of Sex Dreaming can lead us out of our estranged jungle. We no longer have to accept the constraints of unconscious partnerships. There is a clearing beyond the chaos, and it glitters in the full sunlight of honesty. We can at long last accept our true nature, and love the totality of ourselves."
