### The Keeping Quilt and The Blessing Cup eBook Set By Patricia Polacco

Two beloved and bestselling classics from Patricia Polacco, now available in one eBook set.

#### *The Keeping Quilt*

*“We will make a quilt to help us always remember home,” Anna’s mother said. “It will be like having the family in backhome Russia dance around us at night.”*

And so it was. From a basket of old clothes, Anna’s babushka, Uncle Vladimir’s shirt, Aunt Havalah’s nightdress, and an apron of Aunt Natasha’s become *The Keeping Quilt*, passed along from mother to daughter for almost a century. For four generations the quilt is a Sabbath tablecloth, a wedding canopy, and a blanket that welcomes babies warmly into the world.

In strongly moving pictures that are as heartwarming as they are real, Patricia Polacco tells the story of her own family and the quilt’s further story that remains a symbol of their enduring love and faith. This anniversary edition includes fifteen pages of original material describing the quilt’s journey and its home at the Mazza Museum in Findley, Ohio.

#### *The Blessing Cup*

As a young Russian Jewish girl in the early 1900s, Anna and her family lived in fear of the Czar’s soldiers. The family lived a hard life and had few possessions—their treasure was a beautiful china tea set. A wedding gift to Anna’s parents, the tea set came with a wish that “Anyone who drinks from this will have blessings from God. They will never know a day of hunger. Their lives will always have flavor. They will know love and joy and they will never be poor.”

When Anna’s family leaves Russia for America, they bring the tea set and its blessings. A source of heritage and security, the tea set helps Anna’s family make friends and find better lives in America. A cup from the tea set—*The Blessing Cup*—became an anchor of family history, and it remains a symbol of lasting

love more than a century later.
