Understanding Aesthetics for the Merchandising and Design Professional By Ann Marie Fiore

Bridging the gap between the study of aesthetics and its application in the merchandising and design environments, the 2nd Edition of *Understanding Aesthetics* presents a research-based focus on the concepts of aesthetics and their effect on product value and consumer behavior. The multisensory approach to studying the elements and principles of design helps students master the underlying factors of successful design and learn how products and their promotional surroundings can establish brand identity and create a pleasing environment for the consumer.
