Village at War: An Account of Conflict in Vietnam By James W. Trullinger

First published in 1980, this is a classic account of three decades of warfare in Vietnam, seen through the eyes of the inhabitants of My Thuy Phuong, a large rice-growing village in central Vietnam. This book combines an intensive case study of one Vietnamese village with the larger picture of modern Vietnamese political history from French colonialism through the communist victory in 1975.

Editorial Review

Review

'This is a detailed description of how war and revolution swept up a single village in central Vietnam ... Trullinger's purpose is to present the conflict primarily as villagers experienced it not to turn My Thuy Phuong into a testing ground for theories and strategies ... It is successful in describing how one village survived Vietnam's passage from colonialism to independence and socialism.'The Journal of Asian Studies
