What you'll discover in this eBook:

- The first thing you'll learn is **the number one thing that you have to do before you take a single step** towards getting traffic to your website. This thing must be accomplished or else all the traffic in the world won't do any good.
- You will learn **a killer blogging technique** that will allow you to get traffic by blogging a very specific way, and how you can make your readership numbers blow up.
- You'll learn **how YouTube works and how it can help you to bring traffic to your website** by researching how you're going to label your YouTube videos. You'll also learn some YouTube video creation techniques that will help you specifically with getting views on your YouTube videos and then funneling them towards your website.
- You'll learn **a method for posting a link to your website multiple times a day** where could potentially **be seen by thousands or even tens of thousands of people**, and it won't cost you a single dime.
- You'll be able to see **example emails that will help you approach people** so that you can get traffic to your site from other, more popular websites.
- You'll learn **how iTunes can help you turn your trickling website traffic into a huge flowing river of traffic** by doing something regularly that is both fun and valuable for people in the same industry as you are.
- By the end of this book, you will know how to approach another website or blog and get them to allow you to write a guest post and then put it on their

website, in front of all of their visitors, with a link to your website as to drive traffic that way.

- You'll learn a method that will allow you to **engage with a large group of people** many of whom will want to visit your website when you're all finished.
- You'll learn something new that you may not have known about social media and how you can take advantage of this particular feature so that you can **establish yourself as an expert in your industry** and be able to gain not only traffic to your website but also a huge amount of social media followers across multiple platforms.
- You'll learn **what the name dropping method is** - a revolutionary new method for getting some of the most influential people on the Internet to link directly to your website without even asking for a link, or anything else for that matter, in return.
- You'll also learn **how to create a guide or report and make it go viral** and then have it drive traffic directly back to your website without you spending a single dime. In fact, **other people will distribute this report for you**, all leading back to driving traffic to your website for free.
- **...and much, much more!**

We go over the basics of each model and provide actionable steps you can follow to start succeeding in each. And if you're already a confident marketer? Then you can set up multiple revenue streams to maximize your income!
