Editorial Review

About the Author

Dr. Kari Laitinen currently works as a lecturer of subjects related to computer programming. In the past, he has worked for many years as a software developer, and he has carried out research which found ways of making computer programs easy to read and understand. His books, which teach computer programming in the most natural way and try to eliminate obstacles to learning, are results of his work as a software developer, researcher, and lecturer. More information about Dr. Laitinen can be found from his personal Internet homepage that can be reached via www.naturalprogramming.com.

Users Review
