### On the Surface: A hot-enough-to-melt-ice romance (In The Zone Book 1) By Kate Willoughby

“Willoughby absolutely blew me away with this one. This may be my new favorite hockey romance.” –The Book Pushers

NHL player Tim Hollander lost his temper one time and threw a water bottle at an abusive fan. After “Bottlegate,” he’s traded to the San Diego Barracudas, where he’ll need to keep the bad publicity to a minimum while proving he can still compete with the younger guys on the ice.

Erin Collier is a pediatric nurse who’s never seen a hockey game, but gets in line for Tim’s autograph at a PR event in hopes of impressing the doctor she has a crush on. When an obnoxious fan gets pushy toward Erin, Tim rushes to defend the pretty stranger, throwing a punch in the process.

Grateful for the rescue, Erin agrees to stand by Tim during the resulting press conference and host him at a hospital charity event. Their chemistry is palpable, and soon their lives are intertwined. But Erin doubts a hockey player is capable of anything resembling a real relationship. And if Tim can’t get her to see beyond what’s on the surface, they’ll never last longer than a single season...
