Stephen Curry is a professional basketball player, and many people think he is one of the best basketball players in history. Stephen is definitely one of the best shooters ever, and he has won a lot of awards.

Stephen Curry is young, strong, and healthy. That is part of the reason he is so good. But really, he is so good for other reasons. Stephen practiced hard, and never gave up. Even when he was passed over by colleges, Stephen didn't let that get him down. He simply went to a college he liked, and proved just how wrong the big colleges were in passing him over.

Stephen is the kind of athlete and person we should all try to be. He is friendly and courteous, hard working and dedicated, and uses his skills to entertain millions of people, all while raising money for charities.
